

Conductor's Story

A Friend Put Him on the Track to Good Health

Had Been Laid Up for Two Months with Dizzy Spells.

"I have had a stomach trouble for the past three years and last winter I was so that I could not work for over two months. I would have dizzy spells when I could not get out of bed, and when I was lying down it seemed as though there was a hard lump in my stomach. The medicine given me afforded relief only for a time. A friend advised me to try Hood's Sarsaparilla, which I did, and after taking six bottles I am glad to say I never felt better in my life. I do not have any dizzy spells and do not feel the lump in my stomach." A. JACKSON, Passenger Conductor, P. C. & St. Louis Ry., 629 19th St., Louisville, Kentucky.

Hood's Sarsaparilla

Is the best in fact the One True Blood Purifier. Insist upon Hood's, take no substitute.

FRIDAY, FEB. 11, 1898.

Senator Johnson's bill requiring sheriffs to get a county as well as State quietus before collecting another year's taxes, was passed by the Senate.

Spanish Minister DeLome wrote a letter criticizing President McKinley, and it has stirred up a big row in Washington. He will probably be invited to leave the United States and Cuba may finally profit by the disturbance.

BLAINE.

Sam Rose was in our village last week. Mrs. Lou Sweetnam is quite ill. Dr. Roberts, about a week ago, became very much exercised over the continual disappearance of his chickens. Hearing an unusual commotion in his chicken yard one evening rather late, he ran out with his revolver, and seeing his old black sow making a pleasant meal on chicken (feathers and all), the Doctor's rage knew no bounds and he shot the intruder through the snout, ear and shoulder. The chickens will remain undisturbed for a while at least. The revival is still going on with good success. One of our oldest citizens says it is the best meeting he has seen here in 20 years. So far 20 conversions and 27 accessions to the church are reported. If the Christian people of Lawrence Co. would only stand together, and work and fight against the whiskey that is ruining so many young men, breaking so many happy families, and destroying so many happy families, we would see better times.

We greatly rejoice in the enterprise of our people in endeavoring to open the Big Sandy river, but let us not forget to improve the morals of our people. Ben Morris and Mrs. Eliza Edwards were married on the 7th inst. Miss Alice Salyer is quite ill with pneumonia. The Blaine Normal has over 100 pupils. Blue Jay.

Lafe Wellman and K. Holbrook, during the series of meetings have frequently visited M. F. Carter's. F. Osborne is wearing an unusual smile this week. Stanton Miller has decided to be a "doctor." J. T. Sweetnam, who is going to study law, will get his knowledge by absorption. He always carries his books under his arm. Checker playing is all the go here. We have our share of champions. Boner Puer.

RICHARDSON.

Wesley H. Hubbard paid his son, Grant at Whitehouse a visit this week. L. C. Hubbard speaks of going to Whitehouse to engage in the steam bakery business. John Milan was called to the bedside of his nephew Thos. Butler on Monday. Mrs. Ida Castle and Mrs. Preston visited Mrs. Hubbard Tuesday. The Peach Orchard Coal company is doing a good business now. Miss Coon Smith was here Sunday, smiling on fair faces. Dave Castle intends buying a lot of barbed wire for his fencing. He expects to farm extensively next summer.

Secret of Beauty

is health. The secret of health is the power to digest and assimilate a proper quantity of food. This can never be done when the liver does not act its part.

Do you know this?

Tutt's Liver Pills are an absolute cure for sick headache, dyspepsia, sour stomach, malaria, constipation, torpid liver, piles, jaundice, bilious fever, biliousness and kindred diseases.

Tutt's Liver Pills

tensively next summer. Robert Milan, while engaged in a coal mine on his farm recently, was injured slightly by falling stone. Henry Hubbard sold ten walnut stamps to Mr. Pauly for a fair price. McEl. Preston is making preparations for rafting his logs. James Scaggs, section foreman on the railroad was here Sunday.

Mountain Birch.

Now Think About your Health.

In the warmer weather of spring you should be strong and in robust health, your blood pure and your appetite good. Otherwise you will be in danger of serious illness. Purify and enrich your blood with Hood's Sarsaparilla and thus prepare for spring. This medicine makes rich, red blood and gives vigor and vitality.

MR. PUGH WORRIED

Over the Reported Candidacy of His Brother For Congress.

Vanceburg, Ky., Feb. 3.—The postoffice in the Ninth district have worried Congressman S. J. Pugh no little, but the matter that is worrying him now more than all others is the announcement that his brother, James R. Pugh, is a candidate for the Democratic nomination in opposition to him. Before Mr. Pugh left for Washington a few days ago, he became so wrathful over the fact that his brother was being boomed by Democrats that he exploded and said many indiscreet things. He went to his nephew, Jas. R. Pugh, Jr., a young merchant here, and demanded, indignantly, that he dissuade his father, Jas. R. Pugh, Sr., from becoming a candidate. Both men got quite warm during the excited gabfest that ensued.

"I will beat your father without any trouble should he be foolish enough to run," spoke the late Congressman.

"Then he's the very man you should want nominated," retorted the nephew. "Some other Democrat might bother you."

"It would cause a breach in the family," again spoke the Congressman.

"Let's not have the breach take place yet awhile," said the nephew laughing; "it is not a settled fact that either you or father can get the nomination from your respective parties."

HOUSEHOLD GODS.

The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods in every home. The household god of today is Dr. King's New Discovery. For consumption, coughs, colds and for all affections of Throat, Chest and Lungs it is invaluable. It has been tried for a quarter of a century and is guaranteed to cure or money returned. No household should be without this good angel. It is pleasant to take and a safe and sure remedy for old and young. Free trial bottles at A. M. H. Hughes Drug Store. Regular size 50c. and \$1.00.

LOWMANSVILLE.

Died, on the night of the 29th of January, an infant child of Joseph Johnson. M. C. Spencer, a representative of Baltimore hat house, was here last week. Renis Deboard, of Myrtle, was here on business last week. Taylor Borders, who has been ill for some time, we regret to say, is not improving.

PEACE.

YOU NEED Hood's Sarsaparilla

If your blood is impure, your appetite gone, your health impaired. Nothing builds up health like HOOD'S.

FARM FOR SALE

About 40 acres three miles south of Louisville, on river, county road and railroad. Good square two-story log house, with addition containing kitchen and dining room. Good barn, splendid well for household use and good spring for stock. Sixteen acres set in grass. Young apple orchard and 75 peach trees. Farm is divided into five fields by good fences. About half of this farm can be plowed both ways. All but one acre in cultivation. Pleasant location, in view of railroad and river. Land is in fine producing condition. The farm and the improvements put on it by me cost about \$850. I want a larger farm and will sell out for considerably less than that. It is a big bargain at my price. Apply at once to Jno. W. Akers or M. F. Conley, Louisville, Ky.

Planters RUBIAN TEA cures Dyspepsia, Constipation and Indigestion. Regulates the Liver. Price, 25 cts.
